

# WE GOT JOKES!

- J-1: Where did Captain Hook Get His Hook?
- J-2: Where do Cows go on Friday Nights?
- J-3: Why do Dragons Sleep During the Day?

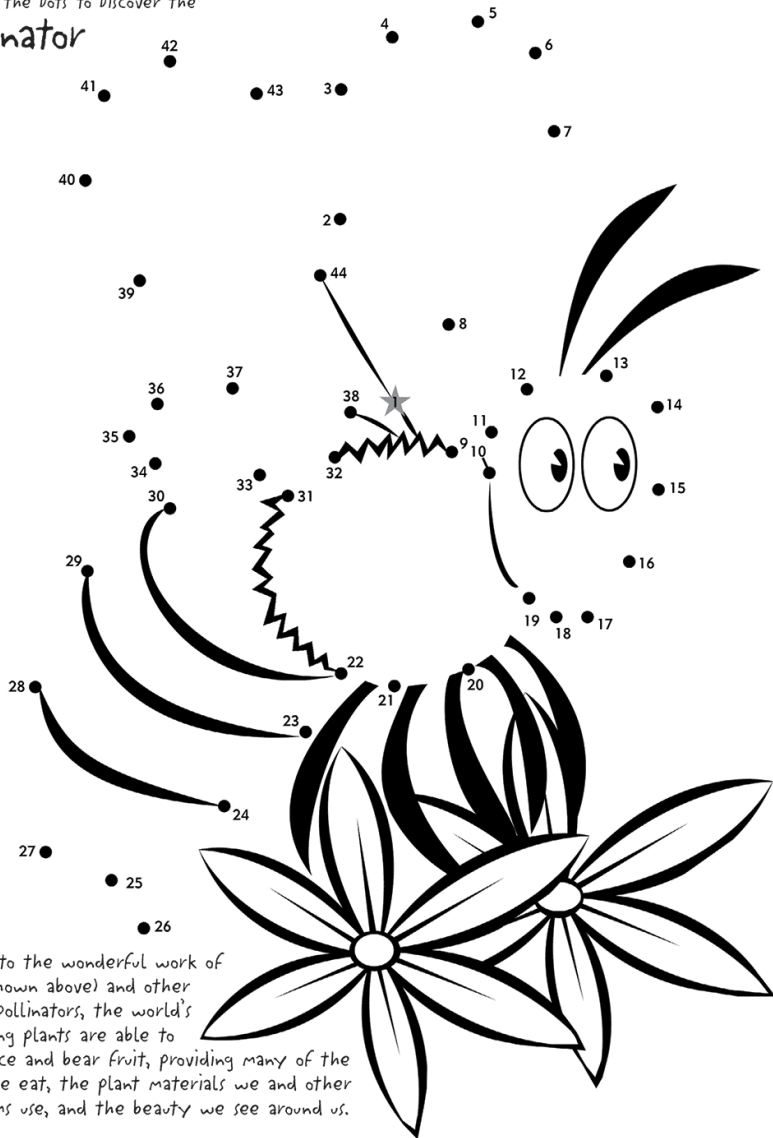

"Why fit in when you were born to stand out?"

- Dr. Seuss

## WILLI WORD SEARCH

Connect the Dots to Discover the Pollinator

Thanks to the wonderful work of bees (shown above) and other animal pollinators, the world's flowering plants are able to reproduce and bear fruit, providing many of the foods we eat, the plant materials we and other organisms use, and the beauty we see around us.

- ### GOOD EATS!
